## Important Reminders.

**A form of photo I.D. is required to open an account.**

- Send notification to companies who make automatic withdrawals from your account that you have a new bank.
- Send notification to direct deposit companies that you have a new bank account.
- Enclose a voided check from your new account when setting up direct deposit for verification purposes.
- Keep your new Red River Bank routing and account number handy for direct deposit and automatic withdrawal requests.
- Allow up to 30 days for checks to clear from your old account and for direct deposits to be changed.
- Make sure you have enough funds in your account to cover any pending automatic payments.
- Destroy any unused checks, deposit slips, ATM or check cards.
- Send notification to your current bank that you are closing your account.

Bring completed profile and a form of photo I.D. to one of our banking centers.
